**WORLD'S GREATEST  
APRIL FOOL'S  
TRICKS!**

Once, on April 1st, the Facebook page for National Public Radio linked to a story with the headline, "Why Doesn't America Read Anymore?" Thousands of people posted comments, taking all sorts of positions on the problem. But it was an April Fool's prank -- there was no such actual story at the link. Which kind of showed that Americans don't read anymore!

See the back page for more all-time great pranks!
